A Piece of Meat, A Piece of Happiness

Eid-ul-Adha is a time for sacrificing, giving, sharing, and having fun. But for many individuals around us, this Eid is just like any other day. There is no improved meal or extra happiness. Think about how a child waits all year for one simple thing: to eat a small portion of meat on Eid. Still, for many children that modest dream typically does not come true.

To change the situation SEEP has started a humanitarian project:
"Let the Joy of Qurbani Reach Every Home"

Our purpose is clear

To bring Qurbani meat to places where it is hard to get, and to transmit happiness to places where it is hard to find.

Your small contribution can make a difference in this Eid.

Why Your Help Is Important

1. Because a lot of families still do not get meat on Eid due to their financial condition and.
2. Our dream is spreading the happiness of Eid through sharing. You can be part of this dream.
3. Because we believe sharing is what real Qurbani is all about.

With your donations:

1. We shall collect sacrificial animals.
2. Islamic rules will be strictly followed while making a sacrifice.
3. People who are unable to collect the meat will get the opportunity to savor it at their home.

Who Will Gain

1. Families living below the poverty line
2. Children without parents
3. Women who are widowed or divorced
4. Day laborers, irregular workers

Our Promise

1. Transparency
2. Fair sharing
3. Respect for your trust

This Eid your kindness can make a family happy. Let us work together to make the most of it. To make it a reality please make sure you donate to – 01805050222 (bKash - Payment)
